2018
Doc's Ranch
Pinor Noir | 750ml

"A rich, effusive wine that captures the house style at its best. Crushed flowers, spice, blood orange, licorice, mint and star anise give the 2018 striking aromatic intensity and a feeling of exoticism that is impossible to miss. The blend of clones - Pommard, 114 and Calera on a steep, hillside site, yields a Pinot of real distinction, with layers of nuance that continue to open with time in the glass."

Sonoma Coast
Pinor Noir | 750ml

The 2018 Pinot Noir (Sonoma Coast) is a terrific introduction to this range. Crushed red berry fruit, spice, licorice and leather give the 2018 lovely aromatic lift and presence to match its mid-weight personality. Pretty floral and savory accents add top notes to the persistent, saline finish. Vineyard sources are Thorn Ridge, Rice-Spivak and O'Connor. This is such a pretty wine.
